

Room-by-room inventory of your property

Classify the contents of each room in the house in turn, describing each item and including as much information as possible. Estimate the "as-new" value of your goods; that is, what it would cost to replace each item at today's prices, taxes included.

PERSONAL INFORMATION

GRAND TOTAL

Visual evidence and updates — To make things easier in case you need to make an insurance claim, take the time to document everything you own in photos or on video. And whenever you purchase a new item of value, don't forget to add it to the list—and to immortalize it in a photo or video as well!
