Insuring Agreement

We provide you, as a tenant, with coverage against various perils and liabilities as described or listed below, in return for payment of the premium. Your Coverage Summary Screen summarizes the coverage and amounts of insurance you have purchased and we have agreed to provide and the period for which they are provided.

What to do in the Event of Loss or Damage

Main steps to take:

- Contact us immediately;
- Protect the insured property against further loss or damage;
- Promptly advise the police of any theft or vandalism.

IMPORTANT

This insurance policy contains various conditions, exclusions, limitations and restrictions. They are pointed out in the policy, especially the exclusions which are printed in grey half-tone areas. Some of them may be amended by endorsement.

For example:

- **What happens if your property is damaged by a sewer back-up, by water entering or seeping through the roof as a result of heavy rain, or by overland water? Coverage for this type of damage may be added by an endorsement to your policy.**
- **Does this policy cover damage caused by a drone? This damage will only be covered if the drone is a toy designed for children under 14 years of age and has not been modified.**
- **Does this policy cover motorized vehicles? Only if they are specifically mentioned in the policy. Some motorized vehicles such as automobiles, motorcycles, mopeds and recreational vehicles are not covered.**

Please read your insurance policy carefully.

A Guide to Your Insurance Policy

Section I – Property Damage Coverages

This section describes the insurance on your personal property and any improvements and betterments made, acquired or rented by you. It also insures any additional living expense or fair rental value loss incurred by you if an insured occurrence makes your dwelling unfit for occupancy.

Section II – Civil Liability Coverages

This section applies to your legal liability for unintentional bodily injury to others or damage to their property arising out of your premises or your personal actions.

It includes voluntary medical and funeral payments to others and voluntary payments to others for damage to their property.

It also provides benefits to residence employees if they are injured while working for you.

Section III – Accident Insurance

This section describes the insurance offered for loss of life as a result of a fire in your principal residence

Subject to the *General Conditions* of the policy, we will pay for any insured loss or damage arising out of an **occurrence**, up to the applicable amount(s) of insurance.

After each **occurrence**, you remain covered for the same amounts of insurance. Any payment for loss or damage will not reduce the amounts of insurance provided by this policy.

If any property is subject to more than one limitation, only the lowest limitation will apply.

Increasing of Amounts of Insurance (Inflation Related)

In the case of an insured **occurrence**, we will automatically increase the amounts of insurance written for Coverage 2 and 4 on the *Coverage Summary Screen* up to the percentage written on the *Coverage Summary Screen* since the most recent change to these amounts.

This protection applies only if *Inflation Protection* is written on the *Coverage Summary Screen*

Deductible

The deductible is the amount of the insured loss that you must assume. This amount is written on the *Coverage Summary Screen*.

The deductible applies before any limitation.

When the same incident applies to both home and automobile insurance contracts, the highest deductible is the only one applicable.

Personal Property

For loss or damage sustained by personal property insured under *Coverage 2 – Personal Property (Contents)*, we will pay based on one of the two options below.

If the conditions of *Option 1 – Repair or Replacement Cost Without Deduction for Depreciation* are not met, we will pay for the insured loss or damage based on *Option 2 – Actual Cash Value*.

If the following conditions are met, we will pay the cost, at the date of the **occurrence**, to repair or replace, whichever is lower, the personal property covered under *Coverage 2 – Personal Property (Contents)*.

- Repair or replacement must be made with property of like kind and quality.
- Repair or replacement must be made within a reasonable time after the **occurrence**.

The amount of insurance paid will not take into account depreciation.

This option does not apply to:

- property that was not useable for its original purpose or had not been maintained in workable condition;
- objects that cannot be replaced with new articles because of their inherent nature, including antiques, fine arts, paintings and sculptures;
- objects whose age or history contributes to their value, such as memorabilia, souvenirs and collectibles.

Option 2 – Actual Cash Value

The actual cash value will take into account the cost to repair or replace, whichever is lower, at the date of the **occurrence**, using property of like kind and quality, less any depreciation. In determining depreciation we will consider, among other factors, the condition of the property before the **occurrence**, its resale value and its life expectancy.
